The Giving Tree

We are collecting new winter scarves, hats, gloves, mittens, and socks for all ages. Bring any donations to the Captain Kimberly Hampton Memorial Library in Easley. Donations will be accepted December 1-31 and distributed to those in need in our community through United Way. Please visit our tree and donate to help our citizens stay warm this winter.

For more information, please call 864-850-7077 or visit us online at pcls.fyi.
