Project SCHOOL PANTRY

The Sarlin Library is proud to partner with Project School Pantry, a local nonprofit dedicated to fighting food insecurity through community pantry boxes. Thanks to their work and the generous sponsorship of No Vacancy on Commerce, we now have a beautiful

pantry box serving our community.

In just three weeks, with the support of our partners and community members, we've provided more than 1,000 nonperishable food items and toiletries to those in need.

If you'd like to help, donations of sealed, in-date nonperishable food, toiletries, and baby items can be dropped off at the Sarlin Library during regular business hours. Please give donations to a staff member at the circulation desk. For more information, call 864-843-5805.

*Take what you need.
Share what you can.*
